

Lakota East High School Athletic Booster Association
Support the Thunderhawks

Join us in the excitement of the Athletic Booster Organization for Lakota East High School! Thunderhawk athletes are proud of their individual and team honors. The Lakota East High School Athletic Boosters invite you to share the enthusiasm of a winning tradition. The Booster accomplishments over the years have been many and varied. We have been instrumental in the development of the athletic complex and renovation of the existing athletic facilities. The Boosters raise funds through membership, concession stand revenue, Spirit Shop, and other fund raising activities such as our East Spring Booster Bash. Please join us in doing our part to insure that Lakota East Athletics will continue its proud tradition. Your donation is 100% used to support the student athletes at Lakota East High School.

Please complete the information below and return with your check or credit card info to:

LEHS Athletic Boosters
6840 Lakota Lane.
