Greater Miami Conference Golf Coach of the year, Jeff Combs, is joining the staff at The Four Bridges Golf Academy in 2008! Coach Combs has been with Lakota Schools for over 17 years coaching Golf, Football, Basketball and Track. Combs and his wife, Leslie, have two kids in Lakota Schools, Jordan (15) and Claire (11).

Most recently, Coach Combs has led the Thunderhawk Golf Team to the Southwest Ohio District Championship in 2008. Shooting 297 at Weatherwax Golf Course, the Thunderhawks took home the schools first District title, and garnered a 7th place State Finish the next week. The past two seasons, Combs led East to the schools first GMC Titles in 2006 & 2007. The Lakota East Golf Program has quietly become a powerhouse in Ohio golf, having won or placed highly in tournaments across the entire state, and consistently ranked in top 3 in SW OHIO. Combs said, “We are so excited and proud of what we have built at East, and we couldn’t have done it without the help of facilities like Four Bridges and PGA Professionals like Tim Lambert. I am excited to help with this great game and at such a magnificent, family oriented country club like Four Bridges.”

When Combs first came to East, he realized the importance of developing a Junior Golf Program, so he started the Lakota Golf Academy. This annual camp has had over 1000 golfers over the last decade! He has also helped hundreds of Junior Golfers from the tri-state area as a Lead Instructor at the Four Bridges Golf Academy with Tim Lambert.
