

**Thunderhawk Position Specific Football Camp & Combine**

**Grades 3-8**

**June 8<sup>th</sup> 9<sup>th</sup> and 10<sup>th</sup>**

**6pm – 8pm**

As a service to the Lakota community, this camp is designed for players who are looking to experience position specific training in both offensive and defensive positions. Included with the position training, the kids will have the opportunity to participate in a combine that tests speed, strength and agility all with the opportunity to win prizes. Also included will be a free camp T-shirt to all participants.

The first two days of the camp the players will receive an in depth instruction in both an offensive and defensive position of their choice. The instruction will be put on by Lakota East coaches whose background experiences range from the Division I colleges to the NFL. Your son will be able to experience some of the same drills and fundamentals that are given at the high school level throughout the camp.

On the third day, the kids will be trained and tested in some of the same combine tests that many high school athletes perform before heading to college. These tests will include the 40 yard dash, vertical jump, pro agility shuttle, and standing long jump. Each grade will have an overall winner and will be awarded prizes. At the conclusion of the testing, the players will be split up into grade appropriate teams and will play live (touch) football for the remainder of the time on the third day.

Please fill out the information below for pre-registration. Pre-registration fees for this 3 day camp are \$60 and are due by June 1st. Any late registration will be \$70 due on the first camp day June 8<sup>th</sup>.
